

# AlkaBath Salts

AlkaBath salts are suitable for babies, children, and adults.

## **INSTRUCTIONS**

You can use AlkaBath every day as many times a day as you like. Soaking in AlkaBath salts is best after you've done a chemical peel, it neutralizes any remaining acid on your skin which helps reduce the redness associated with chemical peels. AlkaBath also balances your skins pH after a chemical peel

## **IMPORTANT INFO & TIPS**

Purchase yourself an electric footbath, and electric jacuzzi spa for your bathtub. For the full spa experience!
